

Die Matte Film

Matte on one side, in a variety of thicknesses, roll widths and lengths.

- Available in .003 & .005 thicknesses*
- Matte / frosted on one side
- Roll sizes from 36" to 60"*
- Core size: 3"

Dimensionally-stable, Wagner Die Matte Film is perfect for use on plotters to create strike or transfer sheets that help to ensure optimum print to diecut registration. Strike sheets can also be made using Wagner Die Matte Film to provide accurate jig masters that can be applied directly to the dieboard. Some sizes available in clear, contact us for information.

Wagner's Die Matte Film - is a reliable makeready product perfect for use in plotters to create accurate strike and transfer sheets to ensure optimum print to diecut registration.
